

## Welcome to the PHS Website

Hello one and all,

As you can see, we are developing a new website for the Panama Historical Society.

Everything you see around here is liable to change at a moments notice, but our intent is to bring you:

- PHS Meeting Announcements
- A repository of meeting minutes
- A searchable index of historical documents and photographs from Panama
- A vibrant internet community dedicated to preserving Panama's historical heritage

Please enjoy!

Carlos H.
